

Executive Coaching Profile

Dr Anton Franckeiss

Board Level Executive Coach

Based in: United Kingdom

Languages: English

Qualifications: BA MA PhD

As Practice Director UK, Anton's global consultancy and coaching remit at ASK is to operate with Executives in major organisations on strategic organisation leadership and people development.

A professional with extensive consultancy experience in Change Management, Leadership and Performance Management and world class Executive Coaching, Anton is a Fellow of the Institute of Personnel and Development.

He has worked with blue-chip clients across all sectors and geographies on projects that brought genuine integration, positive change and bottom line improvement.

His initial career was operational and HR focused, joining GEC Marconi as a member of the Senior Management Development Team where he worked alongside Project Directors in EMEA and then AsiaPac. An assignment in the UK Government Cabinet Office followed, working with UK and EU policy making Ministers on HR strategy and operations for Europe wide industry.

Coaching style

Anton always strives to achieve the application of strategy to ensure action, working in a relaxed but disciplined way to ensure clear achievement against agreed objectives. Crucially, he seeks to ensure the right approach – directive or non-directive – is provided at the right time to support development.
